Independent Auditor's Review Report on the Unaudited Standalone Ind AS Financial Results for the Quarterly and Six months ended September 30, 2022 of Molind Engineering Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To
The Board of Directors,
Molind Engineering Limited

- We have reviewed the accompanying Statement of Standalone Unaudited Ind ASFinancial Results of Molind Engineering Limited ("the Company") for the quarterended September 30, 2022 and year to date from April 01, 2022 to September 30, 2022 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Emphasis of Matter

4. Material Uncertainty relating to going Concern

Manufacturing activities and operations were closed due to continuous operational losses in the company and further outbreak of COVID-19. The ability of the company to continue as a going concern is dependent on the implementation of Company's future plans and continued financial support from the Holding company. These conditions indicate existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

Our opinion is not modified in respect of above matter.

5. Based on our review conducted as stated in paragraph 3 above and subject to the effects of the matters described in Paragraph 4above, nothing has come to our attention that causes us to believe that the accompanying statement of the unaudited financial results read with notes thereon, prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standardand other Accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
